

Gettysburg Construction Company Will Build Wing At Hospital For \$426,790

The Gettysburg Construction Company has been awarded the contract to build the new South wing to the Annie M. Warner Hospital at a cost of \$426,790. It is to be completed in one year.

The contract was signed by Wilbur Bankert, Littlestown, president of the hospital board of directors, and John A. Hauser, Biglerville, chairman of the building committee; and Francis Sanders, president, and Sam Miller, treasurer of the construction company.

The contract also calls for the construction of a service building to house a boiler plant.

The new wing will be 172 feet long and 49 feet wide, one story with basement. It will be of brick construction and similar to the North wing and the rest of the hospital. The basement will house the dietary department.

Will Accommodate 34
The first floor will have 19 private and semi-private rooms and pediatric suite. It will accommodate 25 patients in a normal rated capacity but in an emergency it will accommodate 34 patients.

There will also be several special purpose rooms and two isolation rooms for patients with communicable diseases. There will also be a utility room, sterilizing and treatment and an examination room. The service care will be in the center of the building. Each room will have its own lavatory facilities and in general appearance will be similar to those in the North wing.

The pediatric suite will be a four-bed unit and private room. There will also be a playroom for ambulatory children who will be under direct visual control of the nursing station. A solarium is also provided similar to that in the North wing.

The new building will have gas-oil heat.

An area in the rear of the hospital will be paved for parking physician's cars.

It is expected that work will start next week.

LEGION WOMEN NOMINATE FOR COMING YEAR

Officers were nominated for the Albert J. Lentz Post No. 202 Auxiliary at a regular meeting Monday evening at the Legion home with the election scheduled for June 9.

At the same meeting delegates were appointed to represent the local unit at the Four-County Council meeting at McConnellsburg June 5.

These nominees were proposed by a committee headed by Mrs. Howard Hartzell and including Mrs. Eugene Sickles, Mrs. George Martin and Mrs. Paul Spangler; president, Mrs. Joseph F. Bushey; first vice president, Mrs. Harvey Dickert; second vice president, Mrs. Fred Wilmory; secretary, Mrs. Jean McCrorie; treasurer, Mrs. Edith Bushman; sergeant-at-arms, Mrs. James Riegler; historian, Mrs. Edgar Shellenman, and chapter, Mrs. Paul Spangler.

Mrs. Bushey was appointed to serve out the unexpired term of Mrs. Fred Gormley, who has resigned as president. She recently moved to York. Mrs. Howard Hartzell, a past president, presided Monday.

List of Delegates
Delegates named to the McConnellsburg meeting include Mrs. Mary Fridinger, Mrs. Paul Spangler, Mrs. Ethel Dickert, Mrs. Edith Bushman, Mrs. Hartzell and Mrs. Gormley.

Mother's Day presentations were to Mrs. Samuel Palmer as the oldest mother in attendance; to Mrs. Shellenman as the youngest mother; to Mrs. Mary Fridinger, as the mother of the most children, and to Mrs. Bushey as the youngest grandmother.

The pig-in-the-poke was won by Mrs. Ethel Dickert.

It was announced that an executive meeting will be held June 2 at 7:30 o'clock in the auxiliary rooms.

DR. HOOVER'S RITES TODAY

Largely attended services for Dr. Harvey D. Hoover, 77, professor emeritus at the Gettysburg Lutheran Theological Seminary, who died at the Warner Hospital Sunday morning, were held this afternoon at 2 o'clock in the Church of the Abiding Presence on the seminary campus where he had served for 26 years as a faculty member.

Officiating were his pastor, the Rev. Herman G. Stuempfle Jr., of Christ Lutheran Church here; Dr. Harry F. Baughman, president of the seminary, and Dr. Ralph Robinson, secretary of the Central Pennsylvania Synod of the United Lutheran Church in America. The body lay in state in the church from noon today until the hour of the service.

Interment was made in the New Oxford Cemetery with six seminary students serving as the pallbearers. They were Paul Schmitt, Stephen Schultz, John Yeich, Donald Piper, Guy Edmondson and Paul McKay.

Dr. Hoover, a former faculty member and president of Carthage College, was a graduate of Susquehanna University and Seminary. A former pastor, he had served his church in many official capacities before, during and since his 26 years as a faculty member at the local seminary.

TOWN SCHOOL BOARD SETS '58 TAX RATE

The Gettysburg borough school board at a brief special meeting Monday evening before the regular meeting of the joint school district directors gave final approval to a \$345,876 budget, continuing the present school tax levies for another year.

The school tax rate for this year will remain at 36 mills on real estate with per capita levies of \$10 on each of the approximately 4,000 taxables in the town.

The budget had received preliminary approval a month ago when the decision was made to keep school tax levies at the 1957 level with the expectation that an increase may be required in 1959. A \$700,000 increase in real estate valuations in the borough in the last year helped make it possible to avoid a millage increase this year.

Count 1,497 Children
All members of the board attended the meeting with President Ray J. Kitzmiller presiding.

The directors directed that a letter of commendation be sent to the borough tax collector in appreciation of the "fine job he is doing."

The board had a report on the result of the school census in the borough, just completed by Lloyd R. Hartman. He counted 1,497 children in the borough under the age of 18, a new high for Gettysburg.

CLEARED \$400 AT PTA BENEFIT

The ways and means committee of the Gettysburg Parent-Teacher Association reported today that approximately \$400 was cleared at the annual spring festival which was held last Friday evening at the Keefeauver Elementary School building. The committee said about 2,500 persons attended.

The finalists in the talent show, one of the features of the festival, were Brenda Liss and Mario DeVivio, with a rock and roll number, first prize of \$5; Soloist Susan Wiedner, \$4; Denise Helwig, acrobatic number, \$3, with fourth place and honorable mention to Peter Nelson who sang a solo.

The prize winners and the merchants donating the various prizes follow: Mrs. Florence Ray, Rose Ann Shoppe; Mrs. Pauline Crouse, Peoples Drug Store; Edward Brownley, Murphy's; Mr. Brownley, (Continued On Page 2)

Names Chairmen Of 6 PTA Committees

Names of six chairmen of standing committees for the Gettysburg Parent-Teacher Association were announced today by the new PTA president, the Rev. Robert A. MacAskill. These chairmen along with the officers will represent the Gettysburg PTA at the training session to be held this evening at the Keefeauver Elementary School by the county PTA council.

The chairmen are: Membership, Mrs. Harry Eckdahl; program, Mrs. Howard Bream; hospitality, Mr. Hardy Nichols; publicity, Mrs. Virgil Hartman; room parents, Mrs. Richard Geyer, and ways and means, Mrs. Frederick Neal.

On Wednesday evening a meeting will be held at 8 o'clock in the library of the local high school when a panel, moderated by Superintendent of Schools H. Edgar Riegler, will discuss a proposal to form a high school PTA unit where the meeting is scheduled for 8 o'clock.

CLAIR VANDYKE AND 8 OTHERS RESIGN; NAME 4 NEW TEACHERS

Resignations of nine teachers, including R. Clair Vandyke, a local elementary school principal for the last 24 years, were accepted at the May meeting of the Gettysburg Joint School board Monday evening at Keefeauver school.

At the same session the directors elected three new teachers, an extra librarian for the high school and re-elected for another year a staff of school district officials and employees.

The directors will send Mr. Vandyke a special letter of appreciation for his 30 years of service in the Gettysburg schools, the last

three of them as principal at Lincoln school. Prior to that he was principal at High Street School for 21 years and before that had taught at Meade for six years. He is a Fourth grade teacher.

Most Positions Filled
Before coming to Gettysburg, he taught four years at Guernsey school and a year at Grapevine school, both in Butler Twp. Grapevine was his home school. He did his college work at Gettysburg and Shippensburg and started teaching in 1923. He is completing his 35th year in the profession.

The other elementary staff resignations were from Mrs. Bertha E. Feather, Mrs. Clover C. Fearer, Elizabeth J. Hall and Mrs. Linda M. Hallberg. The resignations from the high school staff included: Mrs. J. Weisel, Miss Nancy L. Deviney and Miss Anne M. Pusey.

The new teachers selected, each of them at a starting salary of \$3,600, include: Miss Joyce A. McClosky, a senior at Penn State University who will teach art in the high school; Mrs. Richard Martin, Shippensburg senior, who did her practice teaching here and will teach in the Seventh grade; Miss Mary T. Quigley, who is graduating from Millersville State Teachers' College and will become the second librarian at the high school, and Miss Barbara Hankey of Gettysburg, now a Millersville senior, who will be a grade school teacher here.

The elections were made on recommendation of the Teacher committee. Its report was made by Mrs. J. B. Collins.

Superintendent H. Edgar Riegler told the directors the teaching staff for next year now has been filled with the exception of a girls' physical education teacher for the high school and for two substitutes for two men teachers who will be on military leave for the first part of the next school year. They are William Neal and Ronald Miller, (Continued On Page 3)

State Takes Over More County Roads

For the first time in approximately 20 years, the State Highway Department took over maintenance of about 10 miles of township roads in Adams County, Clyde O. Garber, superintendent of maintenance in Adams County for the State Highway Department, said today.

The roads are: Legislative route 01078 in Mt. Pleasant Twp., 1.96 miles; route 01079, a continuation of the former route, Mt. Joy Twp., 3 miles; route 01080, Menallen and Tyrone Twp., 5.15 miles.

Garber said these roads were taken over by the state as part of the state highway system and will be maintained as other stabilized roads in the county.

FIRE POLICE OFFICERS ARE NAMED MONDAY

E. Glenn Raffensperger, 39 South St., Gettysburg, rural mail carrier and member of the Gettysburg Fire Department's fire police, was elected president of the Adams County Fire Police Association at a meeting Monday evening in the Bendersville Elementary School. He succeeds Charles W. Culp Jr., local policeman and head of the local fire department's fire police, who has served as president of the county group since its founding in 1952.

Eugene Smith, Hanover R. 4, secretary of the county fire police last year, was elected vice president; Glenn Rex, Bendersville, secretary; Donald Wright, Biglerville, assistant secretary; and Thomas Adams, Gettysburg, treasurer.

William B. Wilson, president of the Fruitgrowers Association of Adams County, expressed the appreciation of the growers to the fire police for their assistance in directing traffic on Apple Blossom Sunday.

To Improve Service
There was a general discussion on how to improve the service. This year too many fire police were at some intersections and too few at others based upon traffic flow, according to the discussion.

Bills received by various Gettysburg business places for advertisements in a Pennsylvania Fire Police program were discussed and the county group instructed its delegates, Duane Bretman, Bendersville, and Paul Shirley, York Springs, to take up the matter at the state convention at Sunbury over the weekend.

By vote of the group the hour for meeting was changed from 8 to 8:30 o'clock for the summer months. The next meeting will be held June 9 at Irishtown at 8:30 p.m.

Rioters Smash Shops, Block Streets In Beirut, Protest Against Pro-West Regime

By TOM MASTERSON
BEIRUT, Lebanon (AP)—Rioters smashed shops, blocked the streets with flaming barricades and chased pedestrians from the sidewalks today in violent protest against Lebanon's pro-Western government.

Demonstrators roamed Beirut for the second day, following the end of an all-night curfew. Organized bands were determined to force a general strike and bring business to a standstill.

They smashed windows and wrecked shops that defied their orders to close. A few people who went out in downtown streets were scattered by the roving bands.

Death Toll Is 21
Fervish political maneuvering was under way in an effort to restore order. The political opposition disclaimed any responsibility for the bloodshed and violence, blaming subversive elements demonstrators.

The reported death toll since Saturday rose to at least 21. Security forces Monday night

GIRL, 12, WILL RECEIVE \$2,628 IN FATAL CRASH

Twelve-year-old Nora Ann Bodkins, Gardners R. D., will receive \$2,628.78 as a result of her mother's death in an auto accident November 12, 1956, near the Cumberland County line on the Carlisle Pike according to the action of a jury and a settlement approved by Adams County court Monday.

The jury found that the mother's death was caused by negligence of the husband and father, John F. Bodkins, Gardners R. D., in failing to signal before starting a left turn into the property of Robert Group.

The jury's decision absolved Dean Albert Orner, Bendersville, of responsibility in the accident, and thus put into effect terms of a settlement that had been approved by the court before the jury began its deliberations.

Pay Half Of Award
According to the settlement, John F. Bodkins will pay \$3,500 provided the award of the jury was no more than \$7,000. If the jury awarded more than \$7,000 Bodkins would pay half the amount. The jury did not fix an amount.

Terms of the settlement were not made known to the jurors before they began their deliberations.

The action in assumption had been brought by Betty Mae Group, Gardners R. D., sister of the fatally injured woman, and administratrix of her estate.

The settlement provides that \$875 will go as attorney fees and \$962.22 for court costs, leaving \$2,628.78 to be turned over to a guardian to be appointed for the daughter.

Deliberate 48 Minutes
The jury retired at 3:22 o'clock Monday afternoon returned at 4:10 o'clock with its verdict. The court then phrased the verdict to conform with the language em-

The Fourth Grades, taught by Miss Hazel Carson, Mrs. Janet Himes and Mrs. Doris Schneider will present "Captain Jinks, a military square dance."

The Fifth Grades taught by William Mickle and Mrs. Jeanetta Himes will present a choral reading, "This Is Our Land," led by Michael Reinhold and "The Old Dominion," a two-part a cappella presentation.

Mrs. Jeanne Kunes and Mrs. Lana Sowers will be accompanists.

Army Film Shown To Lions Monday

Gettysburg Lions saw a film on the "new look" in the U. S. Army at their weekly dinner meeting Monday evening at the Shelter House. President Donald A. Ullrich presided with 70 in attendance. Sgt. James Tomlin of the Army ROTC staff at Gettysburg College showed the film.

A report from Treasurer J. Herbert Weikert showed the club's Charity Fund in the last two months paid out \$23.50 for glasses, \$125 for Little League, \$30 for the Cancer Fund and \$25 to the Crippled Children's Society. John C. Stahl, ticket chairman for the annual benefit show, said ticket sale collections are incomplete but total \$1,814.50.

The annual election of club officers will take place next week. The Lions will not meet May 26.

\$512,883 Worth Of Highway Work Scheduled For Adams County During Summer Months

Clyde O. Garber, superintendent of maintenance in Adams County for the Pennsylvania Department of Highways, today announced a summer program of road work. It will include resurfacing and widening some roads, dust-laying and surface treatment and other work. The total amount to be spent in the county this summer is \$512,883.

The projects include:

Approximately 50 miles of road will be covered with a 9.575 gallons of oil and 524,720 pounds of calcium chloride in the dust-layer program. This type of oil, (DL-2) will be used for the first time in Adams County this summer.

The surface treatment program will cover 28.51 miles of highways, using 70,000 gallons of oil and 3,700 tons of crushed stone. The legislative routes include the following: Route 01018, Ardenstville, 26 miles; 01010 and 01063, Bendersville, 1.397 and 39 miles respectively; 41, Cumberland Twp. line to Biglerville borough, 3 miles; 44, borough line towards Fairfield, 1.91 miles; U.S. 15, York County line to York Springs bypass, 1.8 miles.

Other Road Work

Main St., .79 mile; 41, Bendersville borough line towards Aspers for 4.1 mile; 6810, New Oxford, 1.04 miles; 620, Schriber's Corner to Hunters-town, 2.29 miles; 01004, New Oxford toward New Chester, 1.20 mile; 116, 1 1/2 miles south of Gettysburg (Continued On Page 3)

BEGIN WORK ON EISENHOWER GRADE SCHOOL

Work began Monday on the new Eisenhower Elementary School building after machinery bogged down in mud last Friday when an attempt was made to begin excavation. The building is to be completed in a year.

W. R. Oyer, Inc., Waynesboro, is the general contractor for the 20-room, split-level building that will house 600 pupils. The new school will cost about \$550,000. It is being financed by a \$715,000 bond issue that covers the cost of the site and furnishings as well as the building and financing expenses.

A representative of Buchart Associates, York, architects for the new building, told the Gettysburg Joint School Board Monday night that "about one half of one percent of the work on the new building has been done." Five per cent of the work should have been done by this date, he said, but weather delayed excavation work.

Job Superintendent
Richard Oyer will be job superintendent, the board was told, and the directors named Superintendent H. Edgar Riegler and Business Manager Kenneth G. Reinhart Jr. as contact men for the school district while construction is underway. The Finance and Planning committee of the board will be called in for quick decisions when necessary. Any major problems will be brought before the joint board for decision.

The board voted to accept an offer of a portrait of President Eisenhower for the lobby of the new building which Superintendent Riegler said he had received. He recommended that the board accept the offer of the portrait and quick approval was voted by the board. More information was promised later on the matter. No expense to the board is involved, Riegler said.

The directors earlier in the evening had authorized the purchase of four rooms of new furniture for the new building which will be used during the 1958-59 school year at Meade school and then placed in the new school the following year.

When the new furniture is removed from Meade school in the summer of 1959, it will be replaced with furniture from Lincoln school where at least some rooms will be unused that year.

Five Hour Program
The programs will begin at 10 a.m. and continue through 3 p.m. with each committee and each district setting up its own activities.

Cub Scouts will participate as units under supervision of den mothers and pack leaders. Boy Scouts and Explorers will serve as units and individuals in various activities including the passing out of circulars urging safety.

Committees were appointed in each of the five districts to work out plans for the event. The Black Walnut District group will meet with scout leaders at a special "round table" to be held in connection with the May 23, 24 and 25 camporee at Bendersville. The next meeting of the York-Adams groups will be held at York June 3.

Committees named Monday for the Black Walnut district were: Allen Stauffer, publicity; George Miller, circulars; Crosby Hartzell and the camping and activities committee, window displays; Chief Bartlett, Lincoln Square display; L. V. Stock, coordinator; David Houck, general program.

BOARD TO MEET
The May meeting of the board of directors of the Adams County Crippled Children's Society will be held at 17 N. Washington St. Wednesday afternoon at 4:15 o'clock. Notices have been sent members by Miss Ellen Miller, the secretary. President Clarence Bartholomew will preside.

FRACTURES ARM
Mrs. Harry S. Swomley, Emmitsburg R. 2, was treated at the Warner Hospital for a fracture of her right arm received in a fall at her home Sunday.

He sure and hear "The Playmates" on the closing night of the local VFW Post block party Saturday, May 31.

TRESPASS SUIT STARTS TODAY

The action in trespass brought by Jacob and Jean Honig, Pittsburgh, and their daughter, Joan Honig, against Donald J. Chamberlain and Virginia M. Myers, Gettysburg, started in the Adams County court this morning. It is the result of an auto accident August 3, 1955, on the Hanover Rd. The "hury" visited the scene a few miles east of here this morning and then returned to the court room for the trial.

According to the testimony the accident occurred as Jacob Honig was attempting to turn around at a legislative route intersection.

Honig told the jury he had driven from Pittsburgh with his wife and daughter, and had secured information concerning location of a motel at a local restaurant. As he drove east on the Hanover he began to realize that he was on the wrong road to reach the motel. At a legislative route he decided to turn around and return to Gettysburg.

Honig said he did not see lights of an approaching car, nor cars behind him when he started to turn. He said he had turn signals operating on his car at the time.

When his car was partly into the legislative route and partly on the Hanover Rd. a west-bound car operated by Donald Chamberlain struck the rear of his vehicle turning it and throwing Mrs. Honig and their daughter out of the car, Honig said.

The car driven by Chamberlain and owned by Miss Myers came to rest on the opposite side of the highway against a fence and pole Honig said. He said his wife and daughter were injured and removed to the Warner Hospital by a passing motorist. Honig said he was able to drive his car from the scene.

Glenn Smith, Gettysburg, who had served a term on prowling and loitering, and who told the court that was the sixth time he had been arrested on such a charge, was placed on parole for one year, on condition he pay the costs in 30 days.

The Gettysburg National Bank was discharged as guardian of the late Alice Dougherty upon presentation of its final account and the amount, \$73,189.34, turned over to the executor of Mrs. Dougherty's estate, George T. Raffensperger.

GRID PLANS AT GHS OUTLINED

Details of Gettysburg High School's football activities were outlined to the Gettysburg Rotary Club Monday night at the YWCA by Ben Jones, high school coach, who told of plans for the summer camp and showed films of last year's games.

Following the regular session a board meeting was held at which President-elect David Blocher was named representative of the local club to the Rotary International Convention at Houston, Texas, next summer.

The board voted to participate in a "Round The World Doll Show" by sending a local doll and a banner of the local Rotary Club to the Djakarta Rotary Club, in Indonesia, for inclusion in that club's program for a Crippled Children's Institute.

Blocher was also named to represent the club at a presidents-elect meeting today at Mt. Joy, Pa.

President Dr. Harold Dunkelberger named Frank Britcher, Frank Bowersox, Atty. John A. MacPhail and Dr. Dunkelberger to serve as the Rotary committee meeting with the school committee in connection with the dental examination program sponsored by Rotary in the schools.

NINE UNITS TO PARADE HERE

Plans for the VFW parade which will precede the opening of the first annual VFW Block Party Monday evening at 7:30 o'clock were announced at a committee meeting Monday evening at the post home.

Nine units which will parade are: Shippensburg drill team, Carlisle color guard, Dorsey-Stanton color guard, Blue and Gray Band, the VFW Kiltie Band of York, American Legion drum corps and drill team of Hanover, Harney drill team and the St. Thomas drill team. Other units are expected to be in the line of march.

J. Ed Kerrigan, chairman of the committee, said that the post hopes to raise a minimum of \$1,000 which will be used for community betterment.

Entertainment attractions include Jack Western, a cowboy rope artist and magician, who will entertain the entire week; a horseshoe pitching exhibition on Tuesday; Winston and Manning Revue, Wednesday; Blue and Gray band concert, Thursday; Winston and Manning dance party, Friday; and the Playmates, Saturday. There will be rides and games for the children and games for the adults.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times FIFTY YEARS AGO

After Electric Railway: The regular meeting of borough council was held last Tuesday evening with all members in attendance, President Gilbert in the chair.

The bridge on Buford avenue, over the Tiber, received consideration and the Highway committee was instructed to proceed with the construction of the same.

Mr. Butt, as chairman of the Finance Committee, reported that the tax duplicate for 1908 showed \$6,202.26 for the general fund and \$3,102.71 for the special fund.

The following resolution was presented and carried: "Resolved, that the proper legal action be taken against the Gettysburg Transit Company, misuser and non-user of its franchises in the Borough of Gettysburg, and that the Borough Solicitor be authorized to commence action at once by such legal proceeding as he may deem proper."

The peddling of ice cream in town on Sunday and the blowing of horns by the drivers was condemned.

General Local Jottings: Since the battlefield Commission has taken active steps to punish those who have been writing on the towers there is likely to be much less of the practice than during the past few years.

\$100 was cleared from the advertising sale recently held by the Sunday School of E. P. Miller.

The strawberry crop promises to be a big one.

Raymond Baugher and John Bream have each bought building lots from J. N. Hersh, New Oxford. Mr. Bream will begin at once the building of a fine house.

Henry Raffensperger will not rebuild his chair factory at Bowdler which was recently destroyed by fire.

Dillsburg expects to have a big celebration in that place this year and has asked York Springs to help along. Horse racing will be on of the main features.

Friday, May 29th, will be observed as Memorial Day in Arendtsville. Samuel S. Neely, Esq., of this place, will deliver the address.

At the recent meeting of New Oxford baseball enthusiasts an organization was formed by electing Harry Felty, president; W. F. Sheely, treasurer; Ralph Miller, secretary, and George Melhorn, manager.

Several persons of Arendtsville, who have a weakness for hard cider, last winter gave way to their inclinations in that direction and emptied a neighbor's barrel without his knowledge. He has discovered who the guilty parties are and is making them replace it with vinegar.

Prof. D. Ralph Starry, of Lattimore, who is teaching in Plainfield, N. J., has been re-elected for next term at an increase of \$10 per month in salary, getting \$85 per month and a ten months term.

The State surveyors are busy surveying and making preparations for the commencement of a macadamized road between Arendtsville and Biglerville. They expect to begin work some time in June.

The Idaville baseball team defeated the Mt. Holly team last Saturday by the score of 19 to 3. Elton Myers and Leroy Thomas were the Idaville battery. Myers had 19 strikeouts to his credit. Snyder and Hartzell were the Mt. Holly battery.

Local Miscellany: Eugene Shriver is erecting a new house on East Middle street extended.

York on the new bank building is progressing rapidly. Masons are now at work pointing the walls.

George Christman is having a cement pavement put down. Charles E. Lady is doing the work.

Dr. Singmaster, President of the Seminary, under whose supervision the surroundings of that institution have been made so beautiful, is having California Privet hedge planted from Mrs. Wolf's house on Springs avenue, along said avenue to the Confederate avenue.

The U. S. Regular monument, near the Bloody Angle, is about completed and present a beautiful appearance. The scaffolding was removed last week, and there re-

Today's Talk

ANOTHER SPRINGTIME

Nothing to me is quite so thrilling as the return of another springtime. It sets back the years and we look out with the eyes of youth. Is there anything so inspiring as the return of warmer days and the songs of our friends, the birds? There is something so human and understanding in every one of the many birds that come to our little area of earth. The story behind the birds is an interesting one. There is an idea that only the mother bird does any work, but I have been reading about a wren whose partner does not arrive for several days. She is the female, but the male gets busy and has the future home selected and furnished by the time his partner arrives—but when she does she tears out all the improvements and makes it all over to her liking! Any resemblance to anyone you know about? I love the good cheer of the little wren, but I love all birds with a song in their tiny hearts. They are smart creatures, intelligent and full of courage. We can learn a great deal from all birds. By feeding them every day and hanging a home for them, or a feeding place and also placing a water place where they can drink and bathe, returns a sense of joy that cannot be bought. You drink in the pleasures of the birds as though they were akin to you, as they really are. Summer or the earlier springtime would not be so welcome without our birds. I missed the mocking birds of the southland, for this year I stayed home with the snow! All winter long we fed our birds. They repaid us then in gratitude, and now with their songs and appreciation.

Tomorrow Mr. Adams will talk on the subject: "Today — Not Tomorrow"

Just Folks

THE PAST AND NOW
The lives of olden men and great; I found they laughed at each new style

And quarreled over things of state.
I found they, too, deplored the new; They, too, regretted modern ways

And dwelt on what they used to do
In bygone years, with glowing praise.

Over trifling things they wrangled then,
Of little victories they bragged; And even those heroic men

Complained of how their women nagged.
Financial worries made them fret, And petty politics they played.

And every problem that was met
A newer problem promptly made.

Always the wrong was fighting right,
And self was battling common good.
Men took offense at causes slight
And wailed they were misunderstood.

The farmer longed for city ways,
The city man to guide the plow;
The people of those ancient days
Were very much the same as now.

TO HOLD MORE TRYOUTS FOR LITTLE LEAGUE

Officials of the Littlestown Little League have announced that tonight on the community playground at 6 o'clock, there will be try-outs for all boys, ages 9 to 12, and also on Thursday night, Monday evening the eight-year-olds had try-outs and they are asked to report again at 6 p.m. on Wednesday. Even though they plan to attend the Boy Scout event on Wednesday evening, they should first report and turn in their age and parents' permission slip, with the information filled in and the form signed. Although not specifically stated on the permission form, all players in Little League are fully covered by insurance.

A meeting of the officers and managers of the league will be held at 9 a.m. on Thursday at the engine house, instead of May 22, as previously scheduled, for the auction of players. Names of those boys chosen for teams will appear in the Friday edition of The Gettysburg Times.

There is urgent need of help on the new field in order to have it ready for the opening of the season. June 2 and officials suggest that while their boys are trying out for the teams on the playground, the fathers go to the new field to work.

Boys who are not able to return their permission slips by Thursday evening are asked to leave them at Marvin's Cut-Rate Store, S. Queen St. Dates of practice for the regular teams have been announced as follows: Vets, Saturday at 9:30 a.m.; Giants, Monday at 6; Lions, Tuesday at 6, and the Eagles, Wednesday at 6, next week. Boys who are chosen for the regular teams will report for practice with their team. Boys not chosen should watch The Times for announcement concerning minor league play and schedules, which will be published as soon as arranged by the minor league officials.

Littlestown Cubs, Boy Scouts and Explorers will meet on Wednesday evening at 7:30 p.m. on Memorial Field for the presentation of charters and advancements. In case of rain the affair will be held in the Rolling Acres Elementary School building. Cubs will meet at 7:15 p.m. at the LHS cafeteria door in uniform and will go to Memorial Field in a body. Parents and friends are urged to attend the event, as well as committees and sponsoring organizations. Sebastian Hafer, district commissioner, and Stanley C. Roger, field executive of the Black Walnut District, both of Gettysburg, will preside.

Election of officers will take place at the May meeting of the Junior Woman's Club of Littlestown at 8

Expect Ike To Sign Service Pay Increase

WASHINGTON (AP)—President Eisenhower is expected to sign a bill that would start higher pay checks flowing to most members of the armed services as of June 1.

The measure—aimed at encouraging trained personnel to stay in uniform—was passed finally by the House and Senate Monday. It is generally in line with Eisenhower's recommendations.

Under its terms, virtually all servicemen with at least two years of uniform—was passed finally by the House and Senate Monday. It is generally in line with Eisenhower's recommendations.

STOKEY'S QUIZ

SHOW WILL BE ON AIR AGAIN

By CHARLES MERCER
NEW YORK (AP)—Mike Stokey's "Pantomime Quiz," a television summer bridesmaid for 11 years, is back again.

So attractive is the show this year that it will be surprising if it fails to grab a rich sponsor to shepherd it through next fall and winter.

When you see this show on ABC-TV (Tuesdays, 9:30 p.m., EDT), you'll recognize the old parlor game of charades played by two teams of witty experts. The regulars, abetted by two guests each week, are Stubby Kaye, Dorothy Hart, Tom Poston, Carol Burnett, Milt Kamen and Howard Morris.

"I like the show," Kaye was saying the other day, "because I like to play charades. Now there are two ways to play charades. You can play it easy or you can play it hard. The easy way is to have a lot of signals. We try to do it the imaginative way, which is the hard way — and more fun for everybody."

He's Philosophical
Does the critical and popular acclaim which has greeted "Pantomime Quiz" this year lead Stokey to believe his run may be extended beyond the 22 weeks of its present contract?

"I've become something of a philosopher on that subject," he said. "Every spring for 11 years people have acclaimed 'Pantomime Quiz' and we remain popular through the summer. Come fall, I go back to California and I'm told, 'Don't make any commitments because you'll surely be going network in a couple of weeks.' The next thing I know it's spring again — and 'Pantomime Quiz' is back as a summer replacement."

Stokey does feel that he's a

Congress May Up Ike's Appropriations

WASHINGTON (AP)—Congress appears likely, for the first time in 14 years, to increase appropriations above the amounts requested by the President.

A compilation of 10 money bills already considered shows a net increase of close to a half billion dollars over a total of almost 21 billions requested by President Eisenhower. The increase was voted by the House, which has passed all 10 of the bills.

Six of the bills have been passed by the Senate, which added 79 million dollars to the House-voted amounts.

Although about 53 billions in new money requests still are to be considered, the outlook for deep cuts is dim. More than 40 billions of the pending total is for the Defense Department. Congress currently is in no mood to make sharp reductions in military funds.

Gifts To Provide Summer Classes
HARRISBURG (AP)—Private sources have contributed \$8,500 for the operation of an eight-week summer school for the children of migrant laborers' families in Ulysses, Potter County.

William L. Batt Jr., secretary of labor and industry, said the funds were donated by four contributors through Gov. Leader's Committee on Migratory Labor because no public funds were available for the school.

It will open July 7 and will be under the general supervision of the Department of Public Instruction through Dr. Frank A. Mann of Maryland State Teachers College, Towson, Md.

Ten single graham crackers, when crushed into fine crumbs, will yield about two-thirds cup.

MAYS' HOMERS HELP GIANTS RIP DODGERS

RIP DODGERS

By THE ASSOCIATED PRESS
Weep no more for Willie, now that Mays has unfrocked those Los Angeles Dodgers and discovered they're his old Brooklyn buddies.

After 22 games with San Francisco this season, Willie was batting a dandy .372, but folks were concerned. The kid who had led the Giants in home runs and runs-batted-in for four years had only nine extra-base hits, only one a homer, while knocking in just nine runs.

Then he recognized those Dodgers, the guys he's always killed, and Willie started belting. In three games against Los Angeles he's rapped five home runs, driven in 11.

2nd Grand Slam
Mays hit a pair of homers, one his second grand slam in the majors, and had five RBI Monday night as the Giants ripped the Dodgers 12-3 and moved back within a half-game of the National League lead with their fifth straight victory

Warriors Blank Waynesboro 4-0 To End Losing Streak; Bubblers Here Wednesday

John McClellan scattered four singles to Waynesboro High School here Monday afternoon to gain a 4-0 shutout for the Gettysburg High Warriors in a South Penn League game.

The victory snapped a four-game losing streak of the Warriors which was begun by a loss at Waynesboro. Ben Jones' team is now 5-4 for the season.

The Warriors reached two Waynesboro hurlers for eight hits, with Tommy Crist and Don Cold-smith each collecting two, a double being included in the former's safety.

Gettysburg broke a scoreless tie with three runs in the last of the fourth inning.

Three-Run Fourth
With two out, Crist doubled. Cold-smith singled and Crist scored with the aid of an error at the plate. John Harmon followed with a single to score Coldsmith. McClellan aided his own cause with a single to send Harmon over the plate. Rodney Freshman came on to relieve Bob Fry, Waynesboro starter, and retired Bernard Lochbaum on a grounder to third.

The final run in the fifth resulted after Earl Little singled and Hardy Nichols walked. Following a steal, Little scored on Bob Furney's sacrifice bunt to third.

Bubblers Next
Boiling Springs will play here in a non-league game Wednesday afternoon at 3:30 and on Thursday the Warriors play at Hanover in another league game.

Tarman Directing Rowing Luncheons

James I. Tarman, formerly of Gettysburg, and now assistant director of public relations at Princeton University, is directing the 1958 New York Rowing Luncheons being held each Monday at Leone's Restaurant, New York City. The meetings attract Eastern crew writers, crew coaches, representatives of the Eastern College Athletic Conference, public relations personnel from rowing schools, New York radio-TV personnel, rowing alumni and friends of collegiate rowing. Allison Danzig, veteran New York Times writer, is serving as toastmaster.

Tarman, former director of Public Information at Gettysburg College, also will serve as press coordinator for the largest regatta of the Eastern rowing season, the 13th annual heavyweight sprint championships of the Eastern Association of Rowing Colleges, to be held Saturday, May 17, on Princeton's Carnegie Lake. Competing schools will include Yale, Harvard, Princeton, Pennsylvania, Columbia, Dartmouth, Cornell, Syracuse, Navy, Wisconsin, Boston University, M.I.T. and Rutgers.

DODGERS FARM FOUR

LOS ANGELES (AP)—The Los Angeles Dodgers today sent three young pitchers and an outfielder to their farm system.

Left-hander Jackie Collum was assigned to Montreal. Right-hander Ron Negray to St. Paul and right-hander Larry Sherry was optioned to Spokane. Don Demetel was optioned to St. Paul. The cuts left the Dodgers with 26 players on their roster.

STAN TO MAKE BIG HIT AT HOME

CHICAGO (AP)—Stan Musial, the St. Louis Cardinal slugging star who is only one hit away from 3,000, will not reach the coveted goal today according to Manager Fred Hutchinson.

Hutchinson Monday night announced he was benching The Man so that Musial can register his 3,000th hit at St. Louis.

"Stan has always expressed the desire to make his 3,000th hit in St. Louis and I'm going to give him that opportunity," said Hutchinson.

Musial "rapped out his 2,999th hit in the first inning of a 6-4 victory over the Chicago Cubs. He stroked a double into left center field. He walked in the third and then grounded out weakly in his next three appearances.

"It'll be a good clean shut after I get it," said Musial when Monday's game.

The Cardinals go home Wednesday to open a two-game series with the San Francisco Giants.

WINS MVP AWARD

MONTREAL (AP)—Gordie Howe of the Detroit Red Wings today equalled the all time record by winning the "Most Valuable Player" award of the National Hockey League for the fourth time.

The 30-year-old all-star right-winger receives the Hart Trophy, emblematic of the honor, and a cash prize of \$1,000. This is the second straight time he had won the trophy and the fourth time in his 12-year career with the Red Wings. The only other player ever to win four Hart trophies was Eddie Shore, former defense star of the Boston Bruins.

SEEKS SECOND GOLFING TITLE

DALLAS (AP)—Clifford Ann Creed, the golfing gal from Lamar Tech, set out today in search of her second straight Women's Southern championship.

She demonstrated Monday, in winning the qualifying medal with a 1-over-par 75, that she was on her game as usual and was the one to beat in the week-long tournament.

Her first round opponent was Mrs. Dorothy Langkop of Dallas, who qualified with an 86.

Polly Riley of Fort Worth, former Curtis Cupper and five times champion of this tournament, was second in qualifying with a 78. She met Mrs. Carl Robbins of Fort Smith, Ark., who had an 87.

A couple of other former champions were in the field. Mary Ann Downey of Baltimore, who was champion in 1956, qualified with an 81 and played Mrs. Ray Shelton Jr. of Dallas, who had an 87.

Mrs. Mark McGairy of St. Petersburg, Fla., who won the title in 1936, posted an 82 and played Mrs. W. K. Stripling of Fort Worth, Tex., who had an 88.

FEW TROUT CAUGHT

HARRISBURG (AP)—Trout catches in Pennsylvania during the first month of the season have been generally below normal, the State Fish Commission reports.

"Our wardens have reported a surprising number of limit or near-limit catches during the early days of the season," the commission said, "but the general picture shows the total catch statewide to be below normal."

YORK CAPTURES 8TH STRAIGHT LEAGUE GAME

By THE ASSOCIATED PRESS
Two of the Eastern League's newcomers were showing the old-timers something about baseball winning streaks today.

York, a new entry, won its eighth straight game last night 6-2 over the Reading Indians at York. The White Roses boosted their first-place margin in the league's Southern Division to 2½ games over Lancaster. Lancaster lost to Allentown 9-1 at Allentown.

Williamsport, another new team, won its sixth straight, rallying in the ninth to tie and pushing across three runs in the 10th inning to defeat the Springfield Giants 6-3 at Springfield, Mass.

Half-Game Behind
The victory inched Williamsport to within a half game of first-place Binghamton in the Northern Division. Second-division Albany laced Binghamton 11-1 at Albany.

Right-hander Carlos Thorne allowed the Indians five hits and won his second game without a defeat. York scored three runs in the first inning when Paul Leslie belted a home run with two men on base. The winners never were headed.

Williamsport first baseman Nate Dickerson drove in five runs with a two-run home run in the fourth and a bases loaded triple in the 10th. Catcher Joe DePopolo drove in the tying run in the ninth with a double. Reliever Marco Mainini won his first. He entered the game in the seventh and held the Giants scoreless the rest of the way.

Slippery Rock Is Golf Tourney Champ

BUTLER, Pa. (AP)—Charles Hilbin, shooting a 36-40—76, paced Slippery Rock to the Pennsylvania State Teachers Colleges Golf Bobby Young, scored a hole-in-one on the par 3 fourth hole.

The tournament was played over the par 72, 6,054-yard Armo Golf Course at Butler. Young used a 5-iron for his 164 yard ace.

Mike Zapp of Shippensburg was tournament medalist with a 39-36—75.

Slippery Rock's four man team posted an aggregate score of 320. Indiana had 324, followed by California with 350, Shippensburg 346, Mansfield 350, and Clarion 383.

Edinboro's two man team posted a 163.

MATHIAS SAYS U. S. WILL LOSE 1960 OLYMPICS

By ED CORRIGAN
NEW YORK (AP)—Bob Mathias, the two-time Olympic decathlon champion and currently a novice movie star under John Wayne's tutelage said Monday the United States is bound to lose the 1960 Olympics to the Russians.

"I know we lost in the point score in 1956," said Mathias, who was at Melbourne as President Eisenhower's personal emissary. "But we won most of the track events and we told ourselves that's what counts."

"Well, I'll tell you something—this time we're not even going to win the track events. We're good, but we've been standing still. The Russians have been concentrating on the events we've always dominated."

Home From Germany
Mathias just returned from Germany where he gave a series of lectures on coaching to Army athletes.

"The Europeans aren't interested in our explanations that track and field are the most important parts of the Olympics and that many of the other sports are strictly minor in the United States."

"They expect us to be the best in everything and unless we do something about it, we're going to take a back seat to the Russians."

Mathias won his first Olympic decathlon championship as a comparatively unknown 17-year-old Tulare, Calif., high school kid in 1948. Then he repeated in 1952. He won the Sullivan Award and was named the outstanding male athlete of the year in The Associated Press poll in 1953.

No Place To Win
"I don't really know the answer," he said. "But the Americans should notice that many of the Europeans are older than our boys when they still are winning track and field titles."

"That's because they have plenty of places to keep in shape when they get out of school. What do we have here? Next to nothing. When I was graduated from Stanford I had no place to go to keep in shape. So I just quit."

13 SPORTS CARS IN FINAL RALLY

Thirteen sports cars were entered in the final rally of the spring season of the Gettysburg Sports Car Club Sunday. The 111.7 miles of road travelled called, "The Alpine Rally," began from the National Museum at 1:40 p.m. and covered battlefield roads, most of the "Apple Blossom Trail," the vicinity of Pine Grove Furnace, Clevensburg, Caledonia State Park, Mount Alto, Waynesboro and Fairfield.

Ted Benner, navigator, and John Baylor, Gettysburg College students, took first place and were the last car completing the course. Robert Hafez, also a college student, was second, and John Hostetter, Thurmout, placed third. Benner drove the course in three hours and four minutes, an average of 37 miles per hour.

The contest was not a race but a test of the handling characteristics of sports cars and driver's ability to maintain an average speed between 30 and 40 miles per hour over winding mountain roads following prescribed directions.

A meeting of the club was held Monday evening at the Sigma Chi fraternity where the results of the contest were discussed and films of previous rallies shown. Plans were furthered to attend the Cumberland races Sunday, and a summer program was discussed. The winner's trophy was awarded at the meeting.

FIGHT RESULTS
New York—Peter Schmidt, 158, New York, and Eddie Lynch, 147, New York, drew 10.
New York—Marvin McFarland, 139, Philadelphia, outpointed Ray Lancaster, 139½, Spartanburg, S. C., 10.
New York—Al Tisi, 129½, New York, outpointed Pat McCoy, 131½, Ireland, 10.
Dallas—Donnie Fleeman, 175, Midlothian, Tex., stopped Bobby Lane, 17, Miami, Fla., 2.
Dallas—Davey Dupas, 139, New Orleans, stopped Al Barraza, 140, Phoenix, 2.

Rutgers converted 25 out of 29 foul shots when it beat Delaware on the basketball court last winter.

Today's Match
Cumberland Valley at New Oxford

The undefeated New Oxford High School golf team chalked up its 10th straight Central Penn League victory by outclassing West York 14-1 in the Hanover Country Club course, Abbotstown, to assure the Colonials of at least a tie for first place in the Western Division.

The Colonials can clinch the championship by defeating Cumberland Valley today at Abbotstown. May 19 has been tentatively set for the makeup match between New Oxford and York which concludes the regular season.

Summaries:
Phil Bankert, NO, defeated Ray Knaub, 3-2.
Bill Haverstick, NO, defeated Ron Schaeffer, 6-4.
Ken Klinedinst, NO, defeated Jim Smith, 2-1.
Dick Diehl, NO, defeated Ron Zeller, 7-6.
Gerry Beamer, NO, defeated Ron Davis, 10-8.

Home Wins For A's
A home run won for Kansas City, too, as Woody Held picked one in the 11th that beat the Chicago White Sox 2-1 and ended the A's losing string at six in the only other game scheduled.

Chrisley, carried as a pinch-hitter by the Nats, has banged his homers in three games.

Chrisley started Monday night's game and cracked a 3-3 tie with his homer, giving the Senators a 6-1 record against the Red Sox. Dick Hyde won his third with a six-hit, five-strikeout job over 5½ innings in relief of Hal Griggs.

Game Delayed
The game was delayed an hour and 15 minutes by a power failure at Washington.

Ray Moore nursed a 1-0 White Sox lead for seven. The A's tied it on Bill Tuttle's triple and a sacrifice fly by Hector Lopez in the eighth. Held was the first man reliever Gerry Staley faced. Murry Dickson won his second with four innings of hitless relief.

Second baseman Nellie Fox of the Sox was spiked and sprained an ankle making a diving tag on Bob Cerv in the fourth inning.

WINS AT CAPE MAY
Valley Red, from Little Valley Ranch, shown by Wilson Cappaadde, Gettysburg R. 1, won second place and two points in the aged mare halter class in an approved quarter horse show at Cape May, N. J., Saturday. The show attracted quarter horses from many sections of the nation and the national grand champion was there.

G-BURG TENNIS TEAMS WINS 5TH

The Gettysburg College tennis team won its second straight victory to top its record to 5-4 by defeating Dickinson 5-4 at Carlisle Monday afternoon.

A clean sweep of the doubles events gave the Bullets the victory after an all-around fine team performance.

The Bullets will meet Lycoming at Williamsport on Wednesday.

Singles
Kit Spahr, D, defeated Marty Kaye, 6-3, 6-2.
Art Duell, D, defeated Charles MacDonough, 6-2, 8-6.
Ron Waxman, D, defeated Dave Wingfield, 6-2, 6-2.
Bill Fischer, G, defeated Quann, 7-5, 6-1.<

Dr. Mary Richardson May Seek New Degrees After Retirement

Dr. Richardson is known in Gettysburg and Adams County and last visited here on February with members of the staff of the Pennsylvania Heart Association when Dr. Paul Dudley White, Boston heart specialist, spoke in Gettysburg.

By BOB HOLTON
HARRISBURG (AP) — Coed college deans please note:

Dr. Mary C. Richardson will be on the loose again in a few days and it's a pretty safe bet that she'll be in the market for some higher education.

Educational has been the story of Dr. Richardson's life almost from the day she was born in La Crosse, Wis., 74 years ago.

Friday Dr. Richardson will retire from state work after nine years as head of the Rheumatic Heart Division of the state Health Department.

Degree In Engineering
The rewards of higher education began coming Dr. Richardson's direction 51 years ago.

It was in 1907 that she was graduated from the University of Washington with a degree in mining engineering.

Dr. Richardson went on to win a Master's degree in Physics. Then came a degree in psychology from the University of Utah.

For the next few years she taught in high schools in half a dozen states and picked up course credits here and there in her spare time.

Along came World War I and Dr. Richardson became, as she puts it, "a happy war bride."

To Medical School At 50
The Richardsons had two sons who in turn have married and each have a son and daughter. Lt. Col. Richardson her husband, died a few years ago.

Having reared her sons and had them well on their way toward a few college degrees themselves, Dr. Richardson got the urge once again for higher education.

At 50 she entered the Medical School of the University of Colo-

rado at Denver and came out an M.D. in 1937.

She served her internship at a hospital in Lincoln, Neb. and then a residency in pediatrics at St. Christopher's Hospital for Children in Philadelphia.

To Do Som-Visiting
After a short stint in public health and hospital work, Dr. Richardson came to the state Health Department.

What are the plans for the future of this 74-year-old lady?

"I have some visiting to do which will take me to Salt Lake City, Seattle and then to Anchorage, Alaska, to visit one of my sons.

"After that, I suppose I'll find something to do. I probably should be pushing it short at this point but I doubt if I'll ever stop."

Another degree perhaps? "That might just happen."

SAYS MAN CAN LIVE IN SPACE

NORFOLK, Va. (AP) — "I feel good... man can survive in space."

With these sentiments, the Navy's Lt. Cmdr. Jack Neiman Jr. Sunday ended a pioneer venture into simulated outer space.

The time was 10:10 a. m.—44 hours to the minute after Neiman had been sealed in a pressure chamber at the Norfolk Naval Air Station for exposure to conditions of altitudes up to 105,000 feet.

Clad in a new, lightweight space suit, Neiman set a record for endurance under circumstances that could have meant almost instant death had anything gone wrong.

The Navy said his stay in the enormously complex pressure chamber provided enough information "to forecast the effects of space flight on man for days, weeks, or a month."

The visible effects on Neiman were negligible. The inflated suit rubbed blisters on his wrists and irritated his neck. His boots were

FURMAN BACKS OPPONENT OF WM. J. GREEN

PHILADELPHIA (AP) — Lt. Gov. Roy E. Furman today endorsed Philadelphia Democratic leader William J. Green's opponent for Congress in the May 20 primary.

The anti-organization candidate for governor thus put finally to an end attempts to win the Philadelphia party leader's support in the primary.

He had indicated some weeks ago that the effort failed, but had never publicly taken a position against Green until today.

"Get Rid Of Bosses"
Furman said Green's opponent for the nomination to Congress from Philadelphia's 5th District, Charles J. Hild Jr., "is hard-working and sincerely dedicated in his efforts to bring to the 5th District all the benefits that should accrue from able representation."

"It is time we voted into office intelligent, aggressive and unscarred men who will represent the people rather than political bosses," Furman said.

At another point he said that Hild "unlike his opponent, will be on the job all of the time."

Leader, Lawrence Talk
Gov. George M. Leader and Pittsburgh Mayor David L. Lawrence, who head the Democratic organization ticket in the primary, joined campaigns in Harrisburg today.

Leader, candidate for the U. S. Senate, told a Luzerne County Democratic rally in Wilkes-Barre last night that Congress should move immediately to extend unemployment compensation benefits to "put food on the table for needy families."

Lawrence, candidate for governor, too tight and had to be changed.

Neiman left the pressure chamber four hours short of the Navy's original 48-hour goal, but Cmdr. A. L. Hall, medical officer in charge of the experiment, said there was no need for continuing it longer.

The Soviet bloc against Yugoslavia continued to harden Monday amid reports that Soviet Premier Nikita Khrushchev is trying to stave off an effort by Stalinists and Communist Chinese to oust him.

Communist sources in Warsaw reported last Thursday that members of the party's Central Committee in the Soviet Union are pressing Khrushchev to be tougher with Yugoslavia's President Tito. Informants in Belgrade now say Khrushchev is doing just that.

SAYS OILMEN HAVE CHANCE

BEDFORD, Pa. (AP) — The Pennsylvania Petroleum Assn. has been told that the oil industry can make vast forward strides or it can invite government regulation, depending largely on the people within the industry.

Frank R. Markley, vice president in charge of transportation of Sun Oil Co., said at a convention session of the association Monday:

"This can be a time in which our industry makes vast forward strides, pressed by necessity to increase efficiencies, improve products and services, pioneer in new areas, and emerge greatly strengthened.

"Or it can be a time in which our industry invites upon itself the ultimately suffocating mantle of government regulation in an expedient effort to escape the realities with which we are confronted.

"If we believe the competitive enterprise system is good for the country, we need to believe it is good for use and we need to play it by the rules. When we stop playing by the rules there won't be any competitive enterprise system left."

THE DRIVER'S SEAT

Most gals may like their men tall,

dark and handsome. But the man for the girls at Mount Holyoke College in South Hadley, Mass., doesn't necessarily have to fit in that category.

A recent poll of 485 Mount Holyoke students unearthed new criteria in making a man eligible for their dream list. An overwhelming majority of the girls want

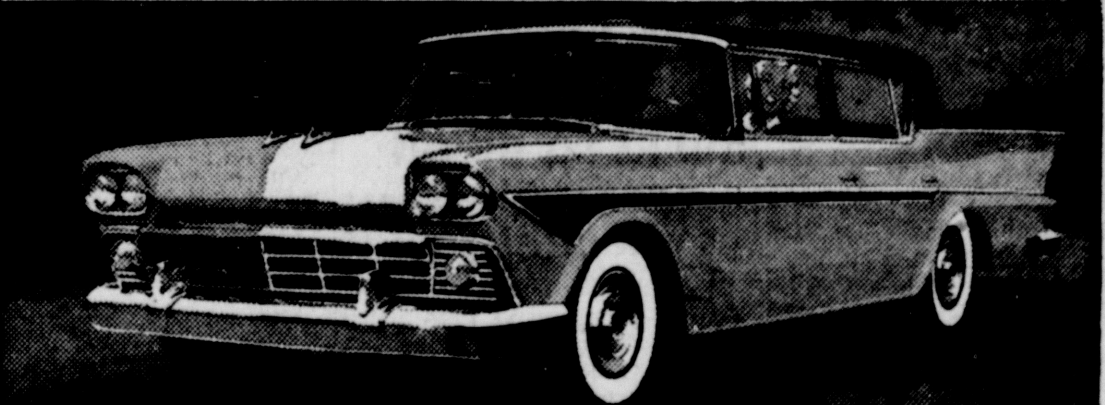

a safe and sane driver who keeps both hands on the wheel and his eyes glued to the road. They want a man who never leans on the horn and one who never takes "one for the road."

"One-Armed Drivers"
So, modern-day swains in their drivers' seats who think they can

WORLD ON WHEELS

By Floyd Clymer

Of approximately 2,200 different makes of U.S. cars, do you know that three had the same name as U. S. Presidents? — Lincoln, Grant, and Roosevelt. The American Beauty was named after a flower, the Argonne was named after a famous French battlefield. Five cars were named after animals; they were Badger, Panther, Buffalo, Colt, and Lion — and cars such as Ohio, Indiana, California, Texas, Michigan, New York, Pennsylvania, and Illinois were named after states. Three cars had the same names as members of F.D.R.'s cabinet; they were Biddle, Jones and Walker.

And even figures on playing cards were recognized in cars bearing the name of Ace, King, Queen, Jacks. Three were named for colors such as Black, Brown, and Gray. Two cars had the names of birds such as the Crow and the Eagle, and two makes, the King and Queen, were named after royalty.

Named For Dogs
To makers recognized dogs by naming their cars Greyhound and Whippet. Even a famous fruit jar, the Mason, was honored by having a car of the same name. And the name Maytag, used on an early car manufactured in Waterloo and Newton, Iowa, was later carried on a famous washing machine. Several automobiles and motorcycles carried the same name, such as Pierce, Yale, Pope, Henderson, and Planders. Even the watch makers were recognized, as Waltham, Elgin, and Howard cars were once

made — but not by the watch makers. At least four cars were named after famous universities such as Yale, Harvard, Columbia, and Oxford. Four cars carried the same designation as state nicknames — they were Keystone, Empire, Bay State, and Lone Star. A famous brewery built an automobile bearing its name, the Anheuser-Busch. And ever a car built in Detroit carried the same name as a former California governor and now the Supreme Court justice — Warren.

Many cars had names of towns or cities. For instance, there is a Cadillac, Michigan; Durant in Oklahoma; a Warren, Ohio; an Indianapolis, Indiana; a Henderson, Kentucky; a Columbus in Ohio, Georgia and Indiana; a Kansas City in Missouri and Kansas (yes, there was a car actually called the Kansas City Car); Cleveland in Ohio; Buffalo in New York; Toledo in Ohio; Richmond in Indiana; and flocks of other makes named after towns or cities.

Many other makes had names similar to some product, state, person, river, or what not. Such cars as the Carter Car, Elmore, Scripps-Booth, Welch, Oakland, Viking, LaSalle, and Marquette were products of the General Motors Corporation — few realize that General Motors once produced many makes that have since become orphans.

Ransom E. Olds of Lansing, Michigan, built his first horseless carriage in 1896 — it was a three-wheel steam car. He also built an experimental vapor and an electric car. Mr. Olds was the only person to ever have two cars named after him that are still among the few survivors of the hectic history of the automotive manufacturers. Mr. Olds first built the Oldsmobile and, after a disagreement with stockholders, he took his initials, R.E.O., and started building Reo cars in Lansing, Michigan. Reo trucks and buses are still produced.

Another pioneer, David Dunbar Buick, did not far so well, as he died an extremely poor man. But his name will forever live on as the founder of the Buick Company. On the other hand, R. E. Olds amassed a fortune of millions. He will always be remembered, not only as a successful automobile manufacturer (and some say he was the father of mass production, even

Most Motorists Favor Green Color For Signs On Highway

By popular demand, there'll be a wearin' of the green on the proposed 41,000-mile interstate highway network. A clear majority of motorists who were chosen to drive a test route that took them over a stretch of dead-end expressway near Greenbelt, Md. selected green as the best background for directional signs—the signs that direct you to your destination—that will be used on the new highways. Blue and black, the other colors considered for use, didn't come close in the final tabulation.

The test was set up by Bertram D. Tallamy federal highway administrator, to determine which color is best for highway signs showing motorists how to get to where they want to go. He invited hundreds of motorists to drive the expressway and give their opinions ahead of Henry Ford), but also as an extremely religious man who endowed a home at Ormond Beach, Florida, where elderly retired ministers can live in comfort for only a few cents a day. A considerable number of ministers, representing all denominations, now enjoy the foresight and generosity of Mr. Olds — and, in his home city of Lansing, the impressive Olds Tower office building stands in honor of his worthwhile achievements.

of the test signs. They were asked: What sign was easiest to see? What lettering was most readable? How did they react to reflectivity on signs?

Motorists drove the road during all weather conditions and all hours of the day and night. They voted that green, reflective signs were the most likely to succeed with them.

Reflective signs won out over non-reflective signs with an overwhelming majority. Eighty per cent of the drivers traveling the stretch were more stimulated by the colorful brilliancy of reflective signs that could be seen at night as well as during daylight.

Fifty-eight per cent of the test volunteers preferred green for directional signs because it was an easily identifiable color. Capital and lower case letter combinations were thought to be the easiest to read.

Because of the results on this test route, the United States Bureau of Public Roads and the American Association of State Highway Officials, co-sponsors of the experiment, now advocate a uniform system of white capital and lower case letters on green backgrounds as the standard for all new interstate highways. Eighteen states already have ratified the plan and the remainder of the states are expected to follow suit soon.

Green now joins the ranks of three other official highway sign colors—red for stop, yellow for caution and white for regulation—designed to simplify traveling procedures for motorists.

The results of this popularity contest—when put into practice on the new super highways and copied for use on non-turnpike roads — will make highway life a lot simpler and will keep cooled a lot of tempers—even of the Irish variety.

Thomas Shell Service Ready To Tune Engine

Roy E. Thomas, 29, who wants to "give your car back 20 to 30 lost horsepower." Chances are, that's how much you're losing from spark-plug miss. "The easiest way to cure spark plug miss," says Thomas is with Super Shell gasoline with TCP from Thomas Shell Service, Steinwehr Ave., where six full-time and two part-time competent employees serve the motoring public.

Super Shell is high octane to protect engines against knock. But today anti-knock is not enough. That's why TCP in Super Shell adds anti-miss to anti-knock; its additive neutralizes fast - forming deposits that cause spark plugs to misfire and waste power. TCP restores lost horsepower.

Thomas, who attended Biglerville High School and has 12 years' mechanical experience, explained that a part of the service at the Thomas Shell Service cars are safety checked as they are lubricated. That's important to a man

MOTOR MAIDS

Stop On A Dime? Can't Be Done!

By Jeanne Smith, Safety Consultant

NEXT TIME you hear someone brag that he can stop a car "on a dime," stop him with the facts, ma'am.

The reaction time of an alert, healthy motorist is three-fourths of a second. So a driver who is clipping along at 60 miles per hour will use up 66 feet before he even touches the brake pedal! To be more emphatic, if a car 55 feet ahead suddenly stops, he'll hit it before he hits the brakes!

The National Conference on Stopping Distances has some more interesting facts for you to pass on. After the driver traveling at 60 miles per hour does apply the brakes, it will take him 300 more feet before he can stop—providing, of course, there's nothing in his path!

And that figure is for dry pavement. On wet pavement, the stopping distance at 60 mph shoots up to 541 feet, and, on ice, it will take a monumental 1,764 feet to stop the car . . . or more than one-quarter of a mile!

Stop on a dime? Even at a conservative 20 miles per hour, the average stopping distance on dry concrete is 47 feet, on gravel 70 feet, on wet pavement 78 feet, and on ice, 235 feet!

By using common sense about driving speed, and by following at a safe distance, most motorists can steer clear of accidents. They can stop in time when an emergency occurs. But they can't stop on a dime!

with a family. Handy at the service station are factory-approved charts for every make and model car for the last 10 years.

Motorists know the importance of careful engine tune-ups. At Thomas Shell Service a new electronic Oscilloscope enables the mechanic to check the engine while it's running, eliminating guesswork and prevent a breakdown later.

The autoist looking for a friend should look for Thomas Shell Service on Steinwehr, Gettysburg.

THE DRIVER'S SEAT

be cads, so long as their convertibles are too, are due for a shock.

If nationwide trends start on the East Coast, the majority of mankind is in for trouble. The country will be overrun with bachelors, all incurable "one-armed drivers" with roving eyes, palms flattened against the horn and a bottle of spirits in every glove compartment.

Tall, dark and handsome they may be, but the short, washed-out, homely men can just as well be doing the wooing and winning of the damsels. Naturally, the shorter fellows won't be wooing and winning on the streets and highways. No, they'll be driving — with both hands off the horn and on the steering wheel, eyes glued to the road and coffee under their belts. At their sides will be the cream of the current female crop adulating their every safe and sane movement.

Curb Highway Deaths
If woman has any effect on man's behavior, and we presume she does, this new attitude may be the weapon to use in the fight to quell the rising highway death statistics. As the wild and woolly rogues begin to watch their date-ratings slip and the local beauties are seen in the company of the more staid motorcar manipulators, grounds for a new movement toward safety already are established.

Women seem to know how to take care of themselves. While more than 28,500 men are getting killed in automobile accidents each year,

women are holding their statistics down to 9,500. It's good to know they are beginning to prefer men who know how to take care of themselves when in the driver's seat. We'll have less widows and orphans that way.

BIG DRUG FIRMS ENTER DENIALS TO U. S. CHARGES

TRENTON, N.J. (AP) — Five big drug companies have issued denials to a federal indictment charging them with violating the antitrust laws in the sale of polio vaccine to government agencies.

A federal grand jury meeting here Monday indicted the five for conspiring to fix prices and eliminate competition in the sale of the vaccine to federal, state and local governments.

Most of the 15 million dollars worth of sale vaccine that had been sold by the end of last year went to public agencies. The bulk of it was purchased under the Polio-vaccine Vaccination Assistance Act of 1955, which provided for the allocation of 53 million dollars in federal funds to the states.

Cutter Stopped

Asst. Atty. Gen. Victor R. Hansen, in charge of the government's antitrust division, said in Washington that the indictments charge the vaccine producers "combined to submit uniform bids to public agencies, to adopt non-competitive terms and conditions of sale and to establish uniform pricing methods."

The firms, Merck & Co. of Rahway, N.J.; American Home Products Corp., New York City; Eli Lilly & Co., Indianapolis, Ind.; Parke, Davis & Co., Detroit, and Allied Laboratories, Inc., Kansas City, Mo., issued their denials soon after the indictments were made public.

Cutter Laboratories of California was also licensed to produce the vaccine, but the Justice Department said Cutter stopped production at the time of the alleged violations. The company halted production when questions were raised as to the safety of its vaccine.

MILWAUKEE (AP) — The Humane Society was summoned to take the bite out of an auto engine when mechanic Dick Schraffen raised the hood of Duane Bellows' auto, found a contented possum perched in the engine compartment, was nipped while trying to dislodge the stowaway.

SAN FRANCISCO (AP) — Herbert Hoover Jr. of Los Angeles, a consulting engineer and son of the former President, has been elected a director of the California State Chamber of Commerce. Hoover was undersecretary of state from 1954 to 1957.

WARWICK, R.I. (AP) — Two fire engines responded to an alarm on Midget Avenue. Uncertain of the exact location, they took different directions. At the intersection of Midget Avenue and Nausauket Road they met — with a loud crash. No one was injured, but vehicles were damaged. The fire: A minor grass blaze.

Gambling Casino Makes Quick Move

SPARKS, Nev. (AP) — How do you go about transplanting a gambling casino without closing down?

It's easy, says Dick Graves, who moved his Sparks Nuggett across the street to a classy new million-dollar building.

Just before the stroke of midnight Sunday, a band in the old casino sounded Auld Lang Syne. Workers hustled dice tables, slot machines and kitchen and bar equipment across the street.

The customers trooped along. Police closed off the street while the carts of cash rolled across.

Missing hardly a throw of the dice or a pull on the slot machine, players were back at their games in the new building within minutes.

News Briefs

JAKARTA, Indonesia (AP) — Government troops continued Monday to pound rebel invaders of East Indonesia's Halmahera Island after a weekend of sharp fighting.

Army Information Chief Lt. Col. Rudy Pirngadie said the counter-attack was launched Friday against Halmahera, 200 miles across the Molucca Sea from the Menado, the rebel headquarters. The rebels invaded Halmahera last Tuesday.

KARACHI, Pakistan (AP) — Russia joined the United States Sunday in sending doctors and medical supplies to help Pakistan fight twin epidemics of cholera and smallpox.

Reports from East Pakistan said between 15,000 and 20,000 and 20,000 deaths since the diseases broke out in early April.

FRANKFURT, Germany (AP) — Communist China's vice premier and foreign minister, Chen Yi, was quoted Monday as saying the Peiping regime will have atomic weapons in the future although it does not possess them now.

The United States, Britain and Soviet Union are now the world's three atomic powers, but a Stuttgart paper quoted Chen Yi as saying in an interview Sunday the three powers might soon lose their monopoly.

ATHENS, Greece (AP) — Handsome Premier Constantine Karamanlis' governing rightwing party rolled up a sizable majority in the new Parliament Monday, assuring continuance of Greece's firm pro-Western course.

The big surprise was the heavy vote for the Communist-line EDA, the Union of the Democratic Left. It more than doubled the 10 per cent of the popular vote it won in the 1956 elections.

BAMBERG, Germany (AP) — Lt. Johnny H. Cooper, who married Edith Neubarth of Germany Saturday, came up with a unique idea for his wedding carriage—the 30-ton tractor that normally pulls "Atom Army," the U. S. Army's big atomic gun.

The big tractor trained the customary tin can.

HOLLYWOOD (AP) — Danny Thomas' TV wife, actress Marjorie Lord, 34, is to marry producer Randolph Hale, 47. Both have been wed previously, she to actor John Archer and he to Jean Gilbert, a non-professional. Each has two children.

WINSTON-SALEM, N.C. (AP) — Forsyth County Judge Hoyle Sink, irritated as chum-chewing witnesses and defendants in criminal cases testified, suddenly stopped the proceedings and told one approaching witness: "You had better get rid of that chewing gum before you come up here. If you're going to chew anything — chew tobacco like a man."

WASHINGTON (AP) — The House adopted without debate Monday compromise legislation to give most servicemen a pay raise at a cost of \$573,438,000.

The measure now goes to the Senate. It is expected to be approved there quickly and to be signed by President Eisenhower in time for the higher pay scales to be effective June 1.

HOPE TO AVOID SPECIAL CALL TO LEGISLATURE

HARRISBURG (AP) — The Leader administration was reported today sending every effort to keep from calling a special session of the Legislature in this election year.

The pressure is building up in two areas affecting both industry and labor unions. The specific issues are occupational disease benefits and unemployment compensation.

An administration source, who asked not to be identified, said Gov. Leader was seeking avenues to avoid a special session to handle these issues but that the problem may be nearly insurmountable.

In Hands Of Congress

Occupational disease benefits for nearly 5,000 ex-coal miners and their widows will run out next Aug. 1 unless a way is found to obtain five million dollars.

The 1957 Legislature failed to appropriate enough money to carry the payments beyond Aug. 1. Alternatives to a special session are to suspend further payments or to find the money elsewhere in the state budget, a task considered virtually impossible.

The unemployment compensation issue is actually in the hands of Congress. The House already has passed an Eisenhower recommendation to increase the duration of jobless benefits by 15 weeks in Pennsylvania, with the money coming from a federal loan.

Opinions Differ

The Senate still must approve the measure and William L. Batt Jr., secretary of labor and industry, plans a trip to Washington Friday in an effort to persuade Congress that the federal money be given to the state in the form of outright grants.

There is a difference of opinion in the Leader administration as to whether a special session would be needed if the loan is carried through. Employer groups believe it to be a must.

Pennsylvania's last previous special legislative session occurred in 1944 when then Gov. Edward Martin summoned the lawmakers to Harrisburg to give World War II GI's the right to cast absentee ballots.

STATE ASKS TO SEE TENTATIVE SCHOOL BUDGET

HARRISBURG (AP) — The state moved today to exercise tighter control over school budgets, particularly in economically distressed areas where teachers have gone unpaid.

Dr. Charles H. Boehm, superintendent of public instruction, said he has sent a telegram to all school boards requesting them to file their temporary or tentative budgets with his department before they are adopted. He said districts where teachers' salaries are in arrears have been asked to submit a list of the teachers and the amount of the unpaid salaries.

The action followed a state Justice Department ruling yesterday that the state may bypass local school boards to make direct payments to teachers who have not been paid.

Can Withhold Subsidies

Dr. Boehm said the Justice Department's interpretation also gives his department broad control over subsidy payments to the districts.

His department can withhold state subsidies if fiscal operations of a local school district do not satisfy it, Dr. Boehm said.

Many districts, he said, insist on operating with unbalanced budgets.

The state superintendent added, however, that he does not feel the steps taken today will mean centralizing control of the districts' fiscal affairs here.

Prompted By Olyphant

He pointed out that the department has no way to control the manner in which a school board spends its tax dollars. And in some districts, he added, where state aid is not the significant part of the budget, the threat of withholding such aid will not have much force.

The Justice Department ruling was prompted by conditions in the Olyphant district, where teachers have not been paid for three months.

Dr. Boehm said it would be summer, however, before the state could act to pay the salaries there and in four or five other districts he said had not paid their teachers.

There will be no money available, Dr. Boehm said, until the next fiscal period begins in July. State aid is not due the third and fourth class districts, where the so-called "payless paydays" for teachers are acute, until the fall, he said, but added that his department would act to bring their pay up to date in July and August.

Studio Signs Lana To Star In Film

HOLLYWOOD (AP) — Universal-International Studio has answered Lana Turner's question.

The actress, whose private life made tragic headlines last month said recently she would like to return to work, "if anybody will have me."

U-I announced Monday that Miss Turner has signed to star in a re-make of the 1934 hit film, "Imitations of Life."

The announcement had an added significance for Hollywood. The studio has been virtually shut down for months, and trade sources professed to see an economic upturn in U-I's return to production.

UAW Resuming Bargaining Talks

DETROIT (AP) — The United Auto Workers Union resumes bargaining talks on new contracts with the big three car makers today following a top level parley of UAW policy makers.

UAW President Walter P. Reuther met late Monday with his vice presidents and other officers.

The union appeared to be striving for a settlement at GM before the contract expires at midnight May 29. Contracts with Ford and Chrysler run out three days later.

GETS FIVE YEARS IN FATAL CRASH

DETROIT (AP) — A man who was asleep at home at the time of the accident has been sentenced to five years probation for manslaughter in a traffic crash that took two lives.

William Marshall, 33, of suburban River Rouge, loaned his car to Neil McClary, 18, of Lake Orion, Feb. 3 after they spent the day drinking. He then went to bed.

McClary struck a car driven by James Goldiron of Taylor Township. Both died and a Circuit Court jury found Marshall guilty of manslaughter because he loaned the car to McClary while the youth was intoxicated.

Under probation, Marshall must not drink for five years, pay \$1,275 to bury Goldiron, not drive for two years, drive only for business the last three years and pay \$15 weekly support to Goldiron's three children.

Expect Mitchell To OK House Bill

WASHINGTON (AP) — Secretary of Labor Mitchell was expected to endorse today a House-passed bill to extend unemployment compensation benefits for idle workers whose rights are exhausted before next April 1.

Chairman Harry F. Byrd (D-Va.) said in advance of Mitchell's appearance before the Senate Finance Committee he had been assured of strong administration backing for the measure.

"I hope we can complete hearings on it this week and can report it to the Senate without any major changes from the form in which it passed the House," Byrd said in an interview.

TRAFFIC TROUBLE

ATHENS, Ohio (AP) — Roger Biddle, who runs a gas station here, has trouble. It started last fall when a new highway intersection was completed in front of his station. Traffic from U. IRANIAN GIRL IS ATTACKED

NEW YORK (AP) — The 16-year-old daughter of Iran's chief United Nations delegate was cut on the hand with a penknife in an attack by two teen-age girls in Bronx Park.

The girl's dress was ripped in the attack, which occurred Saturday evening, police disclosed Sunday night.

Police said Frieda Abdoon was walking with a sister, Masti, 12, in the park while their father, Dr. Djafar Abdoon, and his wife sat in a restaurant.

Frieda and Masti decided to walk along a brook and climb a hill. Frieda told police that as she helped Masti up the steep incline she noticed two Negro girls staring at them. The girls were about 16 or 17. One had a knife strapped to her leg.

One girl tossed a light bulb on the ground. It exploded near Frieda's skirt.

Frieda turned to remonstrate. After an exchange of words, the knife wielder began ripping at Frieda's skirt.

When Frieda and her sister began to cry, the girls fled. Masti was not hurt.

PICK LAWRENCE TO RUN AWAY WITH PRIMARY

HARRISBURG, Pa. (AP) — David L. Lawrence, Pittsburgh's long-time mayor and the power behind the throne in the only two Democratic reigns Pennsylvania has had in 50 years, is now out to be governor himself.

As the state's Mr. Democrat for more than 20 years, Lawrence, 68, is picked by most experts to run away with the party's nomination in the May 20 primary.

His principal opponent is Lt. Gov. Roy E. Furman, 57, who broke with the Leader administration when the governor tried unsuccessfully to block a Republican Legislature from passing a three per cent sales tax.

Furman Sees Advantage
Furman looks on his underdog role as somewhat of an advantage. He likens his chances to those of Harry S. Truman in 1948.

As an active Roman Catholic layman, Lawrence is aware that a member of his faith never has been elected governor of the state that Quaker William Penn founded as "Penn's Woods" in 1681.

Lawrence served as secretary of the commonwealth in the administration of Democratic Gov. George H. Earle in 1935-38 and was regarded as one of Earle's closest advisors. He also worked closely with Gov. George M. Leader in the present Democratic administration. Leader is seeking the Democratic senatorial nomination.

Three In GOP
In the Republican camp, a three-way fight is being waged for the GOP gubernatorial nomination.

Arthur McGonigle, a Reading pretzel manufacturer, has the support of the organization. William S. Livengood Jr., a former organization stalwart, is making an in-

Health Department Seeks Key Workers

HARRISBURG (AP) — The State Department of Health has issued a call for qualified workers to fill a number of key vacancies in the department.

Dr. C. L. Wilbur Jr., secretary of health, said there are vacancies in medical, nursing, laboratory, statistical, nutritional, social work and sanitation positions as well as other professional and technical classifications.

The salary scale of 13 principal job classifications in the department range from a minimum of \$3,077 for dental hygienist to a maximum of \$17,839 for physicians. The salary for nurses ranges from \$3,390 to \$9,454.

INSURANCE FOR NEGRO STOPPED

MONROE, N. C. (AP) — An insurance company, noting racial unrest in Union County, has canceled automobile insurance of a Negro leader.

The Nationwide Insurance Co. dropped machinist Robert F. Williams' collision and comprehensive coverage, effective Monday.

Williams, 33, as president of the county chapter of the National Assn. for the Advancement of Colored People, has been a figure in several racial controversies in this area, 20 miles southeast of Charlotte.

"The affiliation of Mr. Williams with the NAACP, as such, was not a factor," said Elton Parker, personnel and public relations manager of the insurance company's Raleigh regional office.

Parker said that Nationwide's agent in Monroe reported "that dependent bid for the party's nomination. So is Harold E. Stassen, who resigned as President Eisenhower's disarmament aid to enter the race.

4 CANDIDATES FOR GOVERNOR BUSY IN EAST

STROUDSBURG, Pa. (AP) — The four Republican candidates for the nomination for governor start the final seven days of their campaigns in the eastern part of the state today.

Organization-backed Arthur T. McGonigle tours Monroe, Carbon and Lebanon counties after striking back yesterday at a charge issued by a supporter of Harold Stassen that he has been "strangely silent" on the question of Negroes in Pennsylvania.

Stassen, an independent GOP candidate, was in Philadelphia, Allentown, Bethlehem and Montgomery counties. William S. Livengood also was scheduled to speak in Philadelphia. Harold J. Vaughan, the third independent Republican in the race, was in Norristown, Pottstown, Reading, Ephrata and Lancaster.

End In Sight
The campaigns wind up next Tuesday—primary election day.

The Pennsylvania - for - Stassen headquarters in Philadelphia released a letter yesterday written by a Negro clergyman, Rev. Dr. Charles S. Lee. The letter was sent to white and Negro Baptist clergymen in Philadelphia.

Dr. Lee wrote McGonigle "has been strangely silent on the whole question of what is to be done for us (Negroes) in Pennsylvania.

"It is a known fact," Dr. Lee went on, "that Mr. McGonigle's factory in Reading never has employed Negroes."

"Typical Propaganda"
McGonigle, head of one of the country's largest pretzel making firms, said in Scranton to his knowledge the plant never has had a single application from a Negro worker.

"They apparently prefer work in industries where the wages are better," he said.

Concerning his workers, McGonigle said, "there has never been any restriction of employment because of race, color and creed."

He called the issuing of the letter "typical propaganda of a candidate on the verge of complete des-

rocks had been thrown at his (Williams') car and home several times by people driving by his home at night. These incidents just forced us to get off the comprehensive and collision portions of his policy."

Williams' reports of acts of violence have sometimes been unconfirmed by police and denied at least once.

Urges Scholarships

In a statewide TV address, McGonigle urged a college scholarship program financed by state loans to help gifted children whose parents cannot afford to send them to college.

Stassen, in Harrisburg, pledged a big campaign for a Republican victory in November if he wins the nomination.

Speaking from atop a truck to about 400 persons, the former presidential disarmament advisor said his plans called for improved federal tax write-offs for coal mining operations.

Earlier, in Cumberland and Lancaster counties, he said he would be "dominated by no one" if elected governor.

"Weak Sister"

Vaughan struck at McGonigle and Stassen in Harrisburg. He said the nomination of either man would be a devastating blow to GOP voters.

"In McGonigle," he said, "they have a weak sister completely dominated by Jim Malone (Pennsylvania Manufacturers Ass'n president) and his PMA associates."

"Stassen is the smoothest political opportunist and can maneuver to wander into Pennsylvania. He would quit the primary race tomorrow if he got a call to come back to Washington."
